MEMORANDUM FOR: Director of Central Intelligence

FROM: Charles A. Briggs  
Director, Office of Legislative LiaisonSUBJECT: Agency Procedures to Govern Reporting to  
Oversight Committees on Covert Action

1. Attached for your approval is a revised version of the Agency covert action internal procedures which include the changes discussed at our 20 September 1984 meeting on this subject. The tone of the procedures has been changed from mandatorily directing certain determinations and approvals, and instead is written to provide guidance to Agency components on circumstances in which seeking higher level approval for covert action activities should be considered.

2. Following your approval, we will make appropriate arrangements to brief HPSCI and SSCI on these internal procedures.
